שלום

Incident example 1

2022

“

Two Ukrainian men speaking Ukrainian on a train were threatened while being subjected to xenophobic and anti-Russian insults.

Incident example 2

2022

“

Several Roma refugees, including children and elderly people, were attacked with tear gas and subjected to anti-Roma threats and insults by security guards at a centre for Roma refugees from Ukraine.

Incident example 3

2022

“

A Bulgarian man was beaten unconscious while being subjected to xenophobic and anti-Ukrainian insults by three men in a restaurant. The victim sustained a concussion, bruising and a broken arm.

Incident example 4

2022

“

A Russian family was attacked by an unknown man who broke into their apartment shouting anti-Russian death threats. The mother was punched in the face, sustaining injuries to the mouth, and the father suffered a broken nose. Their 7-year-old son witnessed the attack.

Incident example 5

2022

“

Three Indian refugee men from Ukraine were beaten by members of a hate group armed with baseball bats and glass bottles and shouting racist and xenophobic insults.

Incident example 6

2022

“

A Russian Orthodox Church was vandalized when a “Z” and other symbols were painted in red on the entrance door by unidentified perpetrators.
