# LEGAL EMPOWERMENT TRAINING CYCLE

## We are organising Legal Empowerment Training Cycle!

A series of online and in-person lectures and workshops designed for migrants, migrant organisations/initiatives/collectives, as well as other individuals supporting people in navigating the Croatian administrative system.

The Training Cycle is designed to provide knowledge on various aspects of the Croatian system, including answers to the most common questions in this regard, and to offer a space for discussion on topics important to the everyday life of a person who has migrated to Croatia.

The training cycle will be organised in the English language, and if you are interested in participating please fill the application form in the link to confirm your attendance :
